THE BOLD LOOK
OF **KOHLER®**

Whitehaven® Self-Trimming® under-mount apron-front kitchen sinks

Classic Farmhouse Style

Constructed of timeless Kohler® enameled cast iron, Whitehaven comes in 14 gorgeous colors to personalize any kitchen

Easy Installation

Self-Trimming® edges overlap the cabinet face – disguising the installation cuts

Versatile Apron Heights

Choose either a short apron to retrofit to existing cabinetry or a tall apron when remodeling your kitchen space

Smart Divide® Feature

A low divider between the bowls better accommodates large pots and pans

Vault™ Kitchen Sinks

Sleek. Stylish. Stainless.

THE BOLD LOOK
OF **KOHLER**®

Vault™ Kitchen Sinks

Handcrafted from durable stainless steel, Vault sinks feature tightly angled corners to maximize bowl space and a sloped bottom that helps with draining and cleanup. The Self-Trimming design on apron-front models overlaps the cabinet face, eliminating the need for precise cuts. Vault is also available with dual-mount installation.

Durable

Constructed of superior-quality 18-gauge stainless steel

Quiet Performance

SilentShield® sound-absorption technology offers quieter performance

Bottom Bowl Rack Available

Protects the base of the sink from everyday wear and tear

Rear-Oriented Drains

Provide larger working area in the sink and more room within the cabinet

Deep Bowl

9-inch depth accommodates large cookware (except K-3996 and K-3894)

Vault®

under-mount large single-bowl kitchen sink with apron-front

K-3943-NA

Handcrafted from stainless steel, Vault brings bold new style to the traditional farmhouse sink. The single-bowl design features tightly angled corners to maximize basin space, and an included bottom basin rack helps prevent scratches. Due to its shortened apron, this sink does not require a special apron-front cabinet, making it easy to install with most new or existing 36-inch cabinetry. The Self-Trimming™ design requires only a simple rough cut, overlapping the cabinet face for beautiful results.

Installation

Under-mount apron-front.

OF HEAVY
CHORES

Since 1907, Sterling has stood for strength, durability and dependability. That legacy continues with our offering of under-mount sinks. The perfect addition to your kitchen or bath, STERLING® sinks are built to withstand daily wear and tear. SilentShield® technology is an engineered sound-absorption system included on STERLING stainless steel sinks that reduces noise and vibration from clanging dishes, running water and garbage disposals. Select from a range of designs including traditional, transitional or contemporary to match your style.
